## Spouse definition

Pension Benefits Standards Act, 1985	Spousal status:	Spousal status is established as of the day preceding the death of the contract owner.
	Spouse:	The <b>spouse</b> of the contract owner is the person who, on the day of reference under consideration, is married to the contract owner or is party to a void marriage with the contract owner.
	Common-law partner:	The <b>common-law partner</b> means a person who, on the day of reference under consideration, is cohabiting with the contract owner in a conjugal relationship, having so cohabited for a period of at least one year.

## 2 Claimant's statement

I have read and fully understand the definition of spouse as set out above. I confirm that,

Please check one box only:

- at the contract owner's date of death, I fulfilled the conditions required to be considered the contract owner's spouse for the purpose of entitlement to the death benefit or the survivor benefits as applicable.
- at the contract owner's date of death, I was the designated beneficiary and to the best of my knowledge, no person fulfilled the conditions required to be considered the contract owner's spouse.
- at the contract owner's date of death, I was, and continue to be, the executor/liquidator and, to the best of my knowledge, no person fulfilled the conditions required to be considered the contract owner's spouse or has been designated as a beneficiary.

I, the undersigned claimant, certify that the above statement is true, correct and complete to the best of my knowledge.

I recognize that a false declaration could result in legal procedures against me.
