Match your total score from the Investor Questionnaire to one of the portfolios below. **Your advisor can help you choose the most appropriate Portfolio based on your responses to the above series of questions.**

\*If you scored 0-29 on the questionnaire, the scoring matches your profile to the Sun Life Fixed Income ETF+ Portfolio. However, you may also want to ask your financial advisor about Sun Life Money Market Fund, as this fund is designed for investors who are conservative and income oriented, and have a shorter investment time horizon. Alternatively, if you scored 61 or more, the scoring matches your profile to the Sun Life Growth ETF+ Portfolio and the Sun Life Equity ETF+ Portfolio.
