Income Series

Longer life expectancies, market uncertainty, and historically low interest rates have made generating income in retirement difficult.

Traditional fixed income payments may mean you have to lower your income to avoid exhausting your assets.

Maybe it's time to rethink your asset mix by adding lifetime guaranteed income.

Consider Sun GIF Solutions Income Series:

- ✓ Guaranteed income for life from as early as age 50
 - ✓ Defer income until you're ready, while increasing your lifetime income guarantee for each year you defer
 - ✓ Access your money if you need it¹
 - ✓ 75% death benefit guarantee with efficient estate settlement
 - ✓ Sun Strategic Income provides access to public and private fixed income solutions. It also provides access to investment strategies typically only available to institutional investors
